ISSUE #14

Here's a tipp-off... it's a ripp-off!

**Seamus C. Monster,
Resident Odditor**

Are you disgusted with tipping everywhere you look? I am! Everywhere I go, workers expect a tip from me. Well, guess what? I'm not rich! So, if I have to tip on an already expensive bagel with sardine cream cheese, I may just pass altogether.

OK, I get it. Those employees don't make a lot of money and tips help them out financially. But why is it *my* responsibility to fill in the gap between what their employers pay them and what they should make?

Just so you know, I'll tip where it's warranted. Recently, the server at *Bronze Corral* (see their ad on the back page!) gave me slightly better than mediocre service so I tipped her a slightly better than mediocre tip. How generous of me!

My tip. I took a picture to prove it to you!

Maybe you're one of those people who don't mind tipping. If that's the case, please tip us generously via OddballsZine.com

Anyways... **enjoy this issue!**

ODDS&ENDS

Your questions and comments addressed by none other than our resident Odditer... **Seamus C. Monster**

Full disclosure: The questions and comments at hand are completely fictional as of this moment. So... send us questions and comments, will ya?

Dear Oddballs,

Why do they put magazines in waiting rooms at the doctor? If people are sick, they'll get their germs all over it and the next person who reads it will get sick too!

Snotty in SC

Dear Snotty,

That's how they keep they get repeat business and collect those sweet, sweet insurance payouts!

Seamus C. Monster

--- o ---

Dear Oddballs,

What's the worst thing you've ever done? I bet I've done worse.

Crooked in CA

Dear Crooked,

I once fed a live goat to a T-rex. Or did I see that in a movie. I can't remember. But it didn't seem like a nice thing to do. If you've done worst than that, I don't wanna know.

Seamus C. Monster

Dear Oddballs,

What do you want for your birthday?

Generous in GA

Dear Generous,

I would like over \$25K. I would also like a full sheet cake but I figure I can get that for myself with the money you send.

Seamus C. Monster

--- o ---

Dear Oddballs,

My girlfriend and I like to watch reality TV shows. Will you go on one so that we can watch you?

Couch Potato in CT

Dear Couch Potato

I was on a reality show once but my footage got cut. It was an episode of "The Deadliest Catch." They pulled me up in their net and, once I made it on their boat, I proceeded to eat all their fish. They jettisoned me overboard. I never received any payment for the gig... other than the fish, of course.
